- NY Spine Care Financial Policy -

We are committed to providing you with quality and affordable health care. Because you may have questions regarding patient and insurance responsibility for services rendered, we have developed this Financial Policy. Please read it and ask us any questions. A copy will be provided to you upon request.

1. Insurance. If you are not insured by a plan we do business with, payment in full is expected at each visit. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage. Please note that Anesthesia may be billed as Out Of Network claim and therefore may have a higher deductible and co-payment.

2. Referrals. If your insurance carrier requires you to have a referral from your primary physician to see a specialist, it is your responsibility to provide the referral information to NY Spine Care the day of your visit. This includes follow-up visits. Please be advised that if a referral is not provided, you will be responsible for full payment.

3. Co-payments and deductibles. All co-payments and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company. Failure on our part to collect co-payments and deductibles from patients can be considered fraud. Please help us in upholding the law by paying your co-payment at each visit.

4. Proof of insurance. All patients must complete our patient information form before seeing the doctor. We must obtain a copy of your driver's license and current valid insurance card.

5. Claims submission. We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may ask you to supply certain information directly, such as accident details, co-ordination of benefits, or student status, etc. It is your responsibility to comply with their request in a timely manner. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company; we are not party to that contract.

6. Coverage changes. If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits. If your insurance company does not pay your claim in 30 days, the balance will automatically be billed to you.

7. Usual and Customary. Insurance companies sometimes use the phrase "usual and customary" when discussing physicians fees. Please note that the insurance companies set their own "usual and customary" rates based on a wide geographical area and the actual fees we charge may differ. We do not write off balances based on this language.

9. Workers Comp / Auto Insurance. Workers compensation laws require the employee to report injuries to their employer. If your care involves a work related injury, we must know the date of onset, location and nature of the accident, and the telephone number of the adjuster for your case. If this information is not provided, you are responsible for payment of the entire balance due base on our normal fee schedule. We cannot bill your regular health insurance for work related injuries. If you were involved in an automobile accident, we need a copy of your insurance policy and case number.

10. Nonpayment. If your account is over 60 days past due, you will receive a letter stating that you have 30 days to pay your account in full. Partial payments will not be accepted unless otherwise previously arranged. Please be aware that if a balance remains unpaid, we may refer your account to a collection agency and you and your immediate family members may be discharged from this practice. If this were to occur, you will be notified by regular and certified mail that you have 30 days to find alternative medical care. During that 30-day period, our physician will only be able to treat you on an emergency basis.

11. Insurance Checks. If your insurance mistakenly sends you our payment, please forward us the check immediately. Failure to do so may result in your account being turned over to a collection agency. We will also notify the IRS as this is required by law.

12. Missed appointments. Our policy is to charge for missed appointments not canceled within 24 hours on business days. These charges will be your responsibility and billed directly to you. Please help us to serve you better by keeping your regularly scheduled appointment.

13. Schedule of Miscellaneous Fees.

- Returned Check Fee \$30.00
- Missed Appointment Fees
 - Office visit \$50.00
 - Procedure appointments \$100.00
- Medical Records \$0.75 per page.
- A Collection Charge: For accounts that are unpaid after 60 days, a fee of 1.5% per month shall apply.
